Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The Board of Patent Appeals and Interferences noted that the third page of the Information Disclosure Statement submitted March 15, 2004 was not considered by the Examiner. The third page was inadvertently omitted, and therefore, a signed page has been attached. The application will now be returned to the board with the claims rejected and under appeal as set forth in the Examiner's Answer of September 13, 2007. It is noted that Examiner Evan Langdon is no longer with the office and Examiner William E. Dondero has become the new examiner of record for the instant application. Examiner Dondero can be reached Monday - Friday 7:00 am - 4:00 pm at 571-272-5590.
